### Two New Grant Providers

CAIP is excited to have received grants from both The Cooperators and the Alberta Real Estate Foundation this summer. Over the next year this funding will be used to move CAIP towards becoming a self-sustaining entity.

Thank you to both organizations for their generous support.

### Please Welcome Pat Cochrane to CAIP

One of our first decisions after receiving funding for CAIP was to search for a part-time person to help us build the organization, liaise with members and vendors, and be the contact person for all. We are thrilled to welcome [Pat Cochrane](#) onboard in this role.

### Call Pat to Book your Service Today

Pat is now available to talk with members to maximize the benefits of membership. Call her today to discuss your needs and how CAIP can meet them.
